Overview

Trinity College is an affiliated College of the University of Melbourne.

The Pathways School consists of the Trinity College Foundation Studies program, the Young Leaders program and other short programs and conferences.

The College reserves the right to review and make changes to this Policy from time to time.

Scope

This Policy covers all students studying in the Trinity College Foundation Studies program.

Definitions

Curfew – A regulation requiring people to remain indoors between specified hours.

TCFS – Trinity College Foundation Studies

DIBP – Department of Immigration and Border Protection

ESOS – Education Services for Overseas Students

Background

In accordance with the ESOS Act, the Pathways School is required to monitor the living arrangements of all our under 18 students, unless the student is cared for by a parent or legal guardian approved by the Department of Immigration and Border Protection (DIBP).

In line with our Accommodation Service Standards and policy rationale, under 18 students living in pre-approved accommodation are required to comply with daily curfew checks.

Pre-approved Accommodation Student Procedure

- A copy of the preapproved accommodation curfew information will be sent to you and/or your agent prior to arrival.
- You will be given a copy of the *Curfew Safety Flow Chart* and *Under 18 Accommodation Curfew Safety Policy* when you check in at your accommodation.
- Your accommodation provider will explain the curfew procedures to you when you check in, and it is your responsibility to ask questions if you are unclear about any of the curfew procedures.
- You are required to sign the curfew roll by 10pm each night at the designated location within your accommodation supervised by their staff.
- Unless specified otherwise by your accommodation provider, you are required to bring a form of photo ID when signing the curfew roll;

- You only sign your own curfew roll. If you have someone else sign on your behalf, you will be sent a curfew breach warning.
- If you miss your curfew check you must email Student Welfare (welfare@trinity.unimelb.edu.au) the before 10am the following day to explain the circumstances.
- You should remain in your accommodation after signing in. You will be sent a curfew breach without a valid signature.
- If you need to return to your accommodation later than the curfew time or stay overnight at a different location, you need to seek permission from the Student Welfare Office. A consent letter from your parent(s) or legal guardian including all alternative accommodation details must be emailed to Student Welfare for your request to be considered. (Refer to ‘*Preapproved Accommodation - Under 18 Curfew Rules and Exemption Requirement*’).
- *****Important note: The Student Welfare Office requires notice before 3pm on working days of any curfew exemption request. Any request received after the 3pm deadline and over the weekend/ public holiday will not be approved and you should remain in your accommodation.***
- You are required to remain in your accommodation after you have signed the curfew roll. If you are found to be absent at, or after, the curfew time without Student Welfare’s prior approval, you are in breach of this policy.
- Please see Table 1 for penalties that will apply if you breach curfew.

Homestay Accommodation Student Procedure

- Students are required to check in with their homestay host prior by 10pm every night or as agreed time by your host.
- If you need to return to your homestay later than the curfew time or stay overnight at a different location you need to seek permission from the Student Welfare Office. A consent letter from your parent(s) or legal guardian including all alternative accommodation details must be emailed to Student Welfare for your request to be considered. (Refer to ‘*Homestay Accommodation - TCFS Under 18 Curfew Rules and Exemption Requirement*’).
- *****Important note: The Student Welfare Office requires notice before 3pm on working days of any curfew exemption request. Any request received after the 3pm deadline and over the weekend/ public holiday will not be approved and you should remain in your accommodation.***
- If Welfare do not receive written consent from your parent(s) or legal guardian, you should return to your homestay by the curfew time, as normal.
- If you are reported absent after the homestay curfew time this is considered a breach of curfew policy and the penalties outlined in Table 1 apply.
